## Guaranteed ADvantage Accidental Death Insurance Product and Rate Guide

- Guaranteed issue
- A Proposed Insured cannot have more than one Mutual of Omaha Accidental Death policy in force.
- The Proposed Insured can have AD coverage through Mutual of Omaha and any other company
- A spouse cannot be added to the policy after issue. They will be required to apply for their own policy
- Additional children can be added to the policy after issue as long as they meet our eligibility requirements and provide the following written information:
  - Dependents full name
  - Date of birth
  - Relationship to the insured

Mutual of Omaha's Guaranteed ADvantage accidental death insurance provides guaranteed coverage for all clients who apply. Because there are no health questions, medical exams or occupational restrictions, the application process can be easy. Below are a few points to remember when offering AD to your clients:

- Agents must have a current **health** appointment with Mutual of Omaha
- The application must be for the **client's state of residence**
- The initial premium will be withdrawn at time of application submission (not the effective date or date signed on the application)
- Any communications from underwriting will be sent to the email address of the agent written on the application. **Please make sure the email address and phone numbers are correct**
- Applications must be received in the home office within 30 days of the application sign date
- The Return of Premium (ROP) rider is not available in AR, CT, GA, NY, PA or VA
- If applying for family coverage, **both insureds must be age 50 and under** at the time of application
- Non-U.S. Citizens may be covered as long as they have a permanent resident card (green card) and have resided in the country longer than 1 year

A covered individual may only have one accidental death policy with our company. If the client has more than one, they will need to decide which policy they would like to keep. However, AD riders to a life policy are not included in this restriction.

## Policy Exclusions

The policy's face amount will not be paid if the client's death results from suicide, while sane or insane, within two years of the date of issue (in CO, MO and ND, within one year). Instead, we will pay the sum of premiums paid since issue minus any loan not repaid. In MO, benefits will be paid for all causes of death unless evidence shows that suicide was intended at the time of purchase.

Base plan and product features may not be available in all states. Exclusions, limitations and reductions may apply.

Your policy pays benefits only for death resulting from *injuries*. We will not pay benefits for:

- (a) death that occurs while this policy is not in force;
- (b) death resulting directly or indirectly from disease or bodily infirmity;
- (c) death resulting from an act of declared or undeclared war;
- (d) death that occurs while serving in the armed forces;
- (e) death caused by intentionally self-inflicted *injury*, while sane or insane;
- (f) death caused by an *insured person's* suicide or attempted suicide, while sane or insane;
- (g) death resulting from an *insured person's* commission or attempted commission of a felony;
- (h) death resulting from an *insured person's* being intoxicated (as determined and defined by the laws of the jurisdiction in which the loss or cause of loss occurred; for the purposes of this exclusion, the laws governing the operation of motor vehicles while intoxicated will apply);
- (i) death resulting from an *insured person's* being under the influence of any controlled substance (except for narcotics given on the advice of a physician); or
- (j) death resulting from a moving vehicle accident occurring while an *insured person* is engaged in a contest of speed, organized or not.
