Checklist for Your Role as the Selling Broker:

- There are two ways to get to e-Link and submit online Requests for Life Insurance Interviews.

One — Access e-Link via your agency's unique URL address. Brokers who submit requests this way do not have to be pre-appointed with Banner or William Penn. Paperwork to complete the appointment can be submitted during the new business process.

Two — Access e-Link using this address:

To use this address, simply register as a user. You'll need your agent number which means you must already be contracted and appointed with Banner or William Penn.

- Provide your client with a copy of the What to Expect From Your Life Insurance Interview form which explains what happens next. This form (LAA1692) in PDF or JPEG format can be emailed or printed and given to your client.

- Make sure the client understands that life insurance coverage is not in force until the application is approved and the first premium and any delivery requirements have been received. Application approval is not guaranteed.
